

University Park Community Club

Membership Form 2015-2016

The University Park Community Club (UPCC) was incorporated in 1975 to preserve and enhance the quality of life in our neighborhood. University Park is the residential area between NE 50th Street and Ravenna Park and from 16th Ave through 21st Ave NE.

Membership in the UPCC is open to all who own and occupy a residence in the University Park neighborhood. Annual dues are \$20. Our membership year runs July through June.

How do your dues support your neighborhood? Below are examples of what your annual dues get and do for you.

- Your dues give you an annual membership to the private listserv, which provides updates about activities/issues in the neighborhood.
- Your dues help cover the cost of renting space for quarterly community meetings at the University Lutheran Church.
- Your dues help cover costs associated with the annual community picnic in Ravenna Park.
- Your dues contribute to cover fees (e.g., legal costs, mailings, paper flyer preparation) associated with protecting our community from development, land issues, etc.
